ORDER

The Court construes El Bey's amended complaint, *No 5*, as a motion to amend. The Clerk must update the docket.

El Bey has removed references to a peace mission, being a consular official, and Executive Order 13774. He still alleges violations of the U.S. Constitution and Declaration of Independence. The Court needs to know the status of the state charges for allegedly driving recklessly without a valid license. Supplement due by 3 May 2019.

So Ordered.
